## PROGRAMME ADVISORY COMMITTEE

### CIRCULAR

It is informed to all faculty members that college is going to conduct value added courses on Career Counseling. Certificate will be awarded on the completion of course.

#### Agenda:

1. Discuss the conduction of online value added courses on Career Counselling using the Google Meet platform.
2. Training of faculty members for effective online class delivery.
3. Implementation of online teaching and learning methods for students.
4. Planning and organizing virtual academic and co-curricular programs.
5. Online internal assessment for students.
6. Collecting online feedback from students.
7. Arranging online guest lectures for student enhancement.
8. Organizing webinars on stress management for students.
9. Conducting webinars on the latest topics for students.

#### Proceedings:

The meeting was called to order by the principal Dr. Fareeda Hasani, who welcomed all the attendees. The agenda for the meeting was presented as follows:

**Discuss the conduction of online value added courses on Career Counseling using the Google Meet platform:** The principal proposed the implementation of online classes through the Google Meet platform to ensure uninterrupted education for the students. The faculty members shared their opinions and expressed their willingness to adapt to this mode of teaching.

**Training of faculty members for effective online class delivery:** The principal emphasized the importance of thorough and smooth online class delivery. It was decided that dedicated training sessions would be organized to equip the faculty members with the necessary skills and tools for online teaching.

**Implementation of online teaching and learning methods for students:** The principal suggested incorporating online teaching and learning methods to engage students effectively. It

was agreed upon that teachers would utilize various digital resources, such as interactive presentations, videos, and online collaboration tools, to enhance student participation and understanding.

**Planning and organizing virtual academic and co-curricular programs:** The principal proposed conducting various academic and co-curricular programs virtually, such as quiz competitions, debate competitions, singing competitions, and other activities. Faculty members were assigned specific responsibilities to plan and execute these events using online platforms.

**Online internal assessment for students:** The principal highlighted the need for conducting online internal assessments to evaluate students' progress. It was decided that appropriate platforms would be chosen for conducting secure and fair assessments, ensuring the integrity of the evaluation process.

Online Value Added Course of Career Counseling  
(01<sup>st</sup> Sep. 2020 till 16<sup>th</sup> Oct. 2020)

## Learning Objectives

Some general learning objectives that such a course might aim to achieve:

1. **Setting Career Goals:** Students will learn how to set SMART (Specific, Measurable, Achievable, Realistic & Trainable) goals to achieve their career objectives, and steps required to reach their goals.
2. **Building Job Search Skills:** Students will learn how to use relevant keywords for profile matching and prepare suitable cover letter, and how to effectively apply for jobs online.
3. **Interview Preparation:** Students will learn how to build a strong resume, prepare for job interviews, including how to do research about the company and the position and its responsibilities, how to answer common interview questions, and how to make a good impression.
4. **Professional Networking:** Students will learn how to build a professional network and how to use networking to find job opportunities and advance their career.

## Course Outcome

1. **Understand Career Counselling:** To provide the student an understanding of Career Counselling.
2. **Improved Aptitude Skills:** The course may help students develop and improve their skills in areas such as quantitative aptitude, logical reasoning, verbal ability, and data interpretation.
3. **Career Guidance and Planning:** Students may gain a better understanding of their strengths, interests, values and skill sets, and how these can be applied to different career paths. They may also learn about various industries, job roles, and the skills and qualifications required succeeding in them.
4. **Professional Skills Development:** The course may help students develop skills such as

communication skills, body language, teamwork, leadership, time management, and critical thinking & problem-solving, which are valuable in any career.

5. **Networking Opportunities:** The course may provide students with opportunities to connect with professionals in various fields, which can help them build their professional network and gain valuable insights and advice.

## Career Prospects

Some of the career prospects in Career Guidance that students can explore after completing a certification course are:

1. **Career Counselor:** Career counselors help individuals make well informed decisions about their careers by providing them with guidance, resources, and information about different career paths across all industries. They work with people of all ages and backgrounds, from fresher's to home makers to experienced professionals who are either willing to kick start their career or considering a career change.
2. **Human Resources Specialist:** Human resources specialists are responsible for recruiting, screening, and hiring employees for organizations. They may also be involved in training and development, compensation and benefits, grievance handling and managing employee relations.
3. **Education Counselor:** Education counselors work with students of all ages to help them develop academic and career goals. They may provide guidance on choosing a college major, applying for college or graduate school, and developing study skills.
4. **Life Coach:** Life coaches work with individuals to help them achieve personal and professional goals. They may focus on areas such as career development, relationship building, personal growth and self-actualization.
5. **Business Consultant:** Business consultants work with organizations to help them improve their business image, manage operations, increase profitability, and develop new strategies. They may provide guidance on marketing, finance, and human resources.
6. **Entrepreneur:** Individuals who take a career guidance course may also be interested in starting their own business. The skills and knowledge gained from a career guidance course can be useful in developing a business plan, identifying areas of operations and funding sources, and marketing products or services.

## 45 Days Course Report

### Overview:

The 45-day course on a career guidance course can provide individuals with the skills and knowledge needed to counsel and guide students, professionals and businesses to pursue a variety of courses, career paths, choosing right institutions and developing strategies for image building & managing operations effectively. The course can be particularly helpful for those who are considering an institute selection, career change, starting their own business, or looking for guidance on how to achieve their personal and professional goals.

### Curriculum:

#### Week 1: Aptitude Tests and Assessments

- Introduction to Aptitude Tests and various types of Assessments
- Data Interpretation Skills and Practice Tests
- Verbal Reasoning Skills and Practice Tests
- Logical Reasoning Skills and Practice Tests
- Quantitative Skills and Practice Tests
- General Awareness

#### Week 2: Communication and Interpersonal Skills

- Importance of Effective Communication
- Verbal and Non-Verbal Communication Skills
- Listening and Feedback Skills
- Emotional Intelligence and Interpersonal Skills
- Conflict Resolution & Grievance Handling Skills

#### Week 3: Time Management and Goal Setting

- Importance of Time Management
- Identifying Time Wasters and Prioritization
- Planning and Scheduling Techniques
- SMART Goals and Action Planning
- Overcoming Procrastination

#### Week 4: Leadership and Teamwork

- Understanding Leadership Styles

Jaipur

# ST. WILFRED'S P.G. COLLEGE

(Affiliated to the University of Rajasthan)

- Developing Leadership Skills
- Building Effective Teams
- Outlining Team Roles and Dynamics
- Managing Conflicts in Teams

## Week 5: Resume Writing and Interview Skills

- Cover Letter Writing
- Crafting a Winning Resume
- Interview Preparation and Techniques
- Handling Interview Questions
- Follow-up Strategies

## Week 6: Industry Insights and Career Pathways

- Overview of Different Industries and Sectors
- Emerging Career Trends and Opportunities
- Industry-Specific Skills and Qualifications
- Career Pathways and Job Search Strategies
- Entrepreneurship and Self-Employment Opportunities

## Methodology:

The course was conducted with a combination of live lectures, pre-recorded videos, and interactive assignments in offline mode. Students were required to complete weekly assignments and a final examination in an offline mode.

## Outcome:

The course helps students to identify their strengths and weaknesses and identify the potential opportunities & understand the threats (if any) and to improve their aptitude skills. It helps them perform better in examinations and other assessments.

The course provides students with guidance on various career options available to them based on their skills, interests, and aptitude. It helps them make informed decisions about their future career path. The course also focuses on developing soft skills such as communication, time management, and teamwork, which are essential for success in any career.

## Conclusion:

The 45-day course on Career Guidance provided students with:

- 1. Improved Job Readiness:** By developing a range of soft skills and practical career-related knowledge, students can improve their chances of being hired for their desired jobs.
- 2. Increased Confidence:** Engaging in career-enhancing courses and developing effective communication skills with right preparation of interviews can help students gain confidence in their abilities and feel more prepared to enter the workforce.
- 3. Expanded Career Options:** With a better understanding of their skills and interests, students/professionals may be able to explore new career paths and expand their options beyond their current major or field of study.
- 4. Enhanced Employability:** By acquiring a diverse set of skills and abilities, students may become more attractive to potential employers, making them more likely to secure job offers and advance in their careers.

## Action taken for students Queries/Complaints/Missed Classes:

1. Extra remedial classes on Saturdays & Sundays for student's queries.
2. Calling to the students & asked them the reason for not attending the classes & arranged remedial classes.
3. Given guidance for completing assignments.
4. Arrange practical classes for students.
5. Interaction with students and teachers.
