

Dear Tulsi Gehlot,

We are thrilled to offer you the position of Frontend Developer at PrudentBit. After reviewing your skills, experience, and passion for front-end development, we are confident that you will make a valuable addition to our team.

We believe that your skills, experience, and work ethic will make a valuable contribution to our team. Based on your performance, this internship role may be converted to a full-time role in the future.

As a Frontend Developer, you will be responsible for designing and developing innovative, user-friendly, and responsive web applications. Your key responsibilities will include:

- Collaborating with designers, product managers, and back-end developers to develop and implement intuitive and efficient user interfaces.
- Writing clean, well-designed, and efficient code using modern programming languages such as HTML, CSS, and JavaScript.
- Conducting tests and troubleshooting issues to ensure high-quality and bug-free web applications.
- Staying up-to-date with the latest trends, technologies, and best practices in front-end development.
- Contributing to the development of new features, products, and projects.

The following are the terms of your employment:

Start date: 15 March 2023

If you accept this offer, please sign and return the enclosed copy of this letter.

Congratulations on your new role, and we look forward to hearing back from you soon.

Animesh Singh  
Chief Operation Officer  
PrudentBit
