

Action Taken for Student Feedback on Curriculum

2022-23

S. No.	Feedback/Suggestions	Action Taken
1.	The prescribed time for the completion of syllabus	 Extended the timeline for certain subjects to ensure a more comprehensive understanding. Implemented a flexible schedule to accommodate students' needs and pace of learning.
2.	Scope of employability	 Conducted surveys and engaged industry experts to identify in-demand skills. Incorporated additional practical modules and internships to enhance job readiness.
3.	Depth of the course content	 Reviewed and updated course materials to include more advanced topics. Introduced supplementary resources and recommended readings for students seeking deeper knowledge.
4.	Availability of teaching aids effective delivery of course curriculum	 Invested in modern teaching aids, including multimedia presentations, simulations, and interactive tools. Trained faculty members on the effective use of these aids to enhance the learning experience.
5.	Availability of e-learning resources	 Expanded the digital library with a wider range of e-books, journals, and research materials. Introduced a user-friendly online platform for accessing e-learning resources, making them readily available to students.

Action Taken for Student and College infrastructure feedback

2021-22

S. No.	Feedback/Suggestions	Action Taken
1.	Curriculum Enhancement:	 Conducted a comprehensive review of the existing curriculum. Identified areas for improvement based on industry trends and feedback from stakeholders. Developed and implemented a revised curriculum that includes updated content and teaching methodologies.
2.	New Technology Adopted according to NAAC	 Conducted a technology audit to assess the current infrastructure and needs. Researched and evaluated state-of-the-art technologies relevant to the institution's goals. Procured and integrated new technology Solutions to enhance teaching, learning, and administrative processes as per NAAC recommendations.
3.	FDP Started on Teacher's Feedback:	 Surveys and discussions. Analyzed the feedback to identify professional development needs. Launched Faculty Development Programs (FDPs) tailored to address specific areas of improvement as suggested by the faculty.
4.	Purchase of Lab Equipment:	 Conducted an inventory of existing lab equipment and identified deficiencies. Conducted research to identify suitable and up-to-date lab equipment. Procured and installed the necessary lab equipment to enhance hands-on learning experiences.
5.	Purchases of Journals and Magazines	 Identified gaps in the institution's collection of academic journals and magazines. Allocated a budget for the acquisition of relevant journals and magazines. Purchased and subscribed to a diverse range of academic publications to support research and learning needs.

Action Taken for Student feedback on curriculum

2020-21

S. No.	Feedback/Suggestions	Action Taken
1.	Webinars on Various Topics:	 Topic Selection: We conducted thorough research and surveys to identify the most relevant and trending topics within our target audience. This helped us curate content that resonated with our viewers. Speaker Selection: We carefully selected subject matter experts and thought leaders to serve as webinar speakers. Their expertise adds credibility and value to the webinars. Scheduling and Promotion: We created a well-planned schedule to accommodate different time zones and preferences. Effective promotion through various channels, including social media and email marketing, ensured maximum visibility. Interactive Format: To encourage active participation, we incorporated live Q&A sessions, polls, and chat interactions during the webinars. This fosters a sense of community and engagement among attendees. Recording and Archiving: All webinars are recorded and made available on our platform for on-demand viewing, allowing those who missed the live sessions to access the valuable content at their convenience.
2.	Online Platform Started:	 Platform Development: We invested in the development of a user-friendly and feature-rich online platform, incorporating modern design principles and robust security measures. Content Repository: The platform hosts a vast repository of webinars, articles, e-books, and other educational content. It's organized by categories for easy navigation. Community Forum: We implemented a community forum to encourage discussions, networking, and knowledge sharing among members. This allows our audience to

Action Taken for Student feedback on curriculum

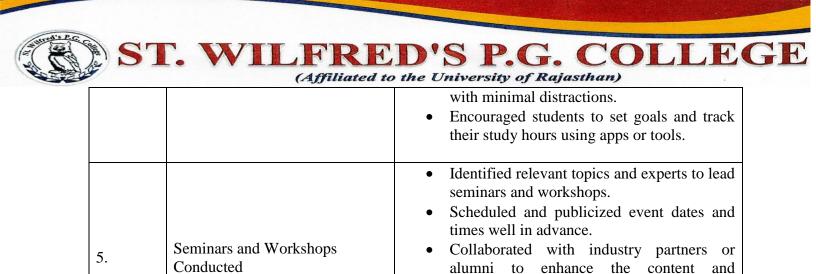

2019-2020

S. No.	Feedback/Suggestions	Action Taken
1.	YouTube Lecture Started:	 Launched a new YouTube lecture series on [Topic] with a captivating introduction to engage viewers. Scheduled regular upload times and dates to maintain consistency. Promoted the lecture series through social media and email newsletters to reach a wider audience. Encouraged viewers to like, subscribe, and share the content to boost visibility.
2.	Engagement Certificate for Alumni:	 Designed and customized engagement certificates for alumni to recognize their contributions. Conducted a survey or gathered feedback to identify the most active and engaged alumni. Organized a special alumni event or ceremony to present the certificates. Shared photos and highlights of the event on social media and the institution's website to showcase alumni involvement.
3.	PPT, Video Lecture Started:	 Created informative and visually appealing PowerPoint presentations (PPT) for lectures. Developed high-quality video lectures with clear audio and visuals. Uploaded the content to a user-friendly platform or learning management system (LMS). Shared links and access instructions with students, ensuring they can easily find and utilize the materials.
4.	Increase Study Hours:	 Implemented a structured study schedule or timetable for students. Provided resources such as study guides, practice exams, and recommended readings. Established dedicated study spaces or areas

Action Taken for Student Feedback on Curriculum

2018-19

S. No.	Feedback/Suggestions	Action Taken
1.	Alumni Election Organized	 A committee was formed to oversee the organization of the alumni election. A detailed schedule and guidelines for the election process were established. Communication was sent out to all alumni with information about the election and how to participate. The election was conducted successfully, and the results were announced promptly. The newly elected alumni representatives were introduced to the alumni association and their roles.
2.	Focus on Placement:	 A dedicated placement cell was established to enhance job opportunities for students. Industry partnerships were forged to increase the number of on-campus recruitment drives. Career counseling sessions and workshops were conducted to prepare students for interviews and improve their employability skills. A comprehensive database of job openings and internship opportunities was created and regularly updated. The placement cell closely monitored the progress of students' placements and provided assistance as needed.
3.	NET and SET Competition Classes Started:	 Specialized faculty members were assigned to conduct NET and SET coaching classes. A curriculum and study materials were developed to align with the examination syllabus. Regular classes and mock tests were organized to track students' progress and identify areas for improvement. Personalized guidance and mentorship were offered to students aiming for NET and SET examinations.
