

ST. WILFRED'S P.G. COLLEGE

(Affiliated to the University of Rajasthan)

Programme Outcomes (POs)

Bachelor of Computer Application

PO 1	Knowledge: To prepare necessary knowledge base for research and development in Computer Science.
PO 2	Identify computer application related problems, analyze them and design the system or provide the solution for the problem considering legal, ethical and societal issues.
PO 3	Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations
PO 4	Create ability to learn new techniques and tools to adapt to the rapidly changing field of computing.
PO 5	At the end of the three year BCA program the students will be able to understand, analyze and develop computer programs in the areas related to algorithm, web design and networking for efficient design of computer based system.
PO 6	Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
PO 7	The program also empowers the graduates to appear for various competitive examinations or choose the post graduate programme of their choice.
PO 8	Learners will be able to communicate effectively on various national & international issues with the specific community and society. Capable in writing effective reports, designing documentation, & make effective presentations so that he can participate in workshops, seminar & conferences.
PO 9	Apart from the attainment of knowledge and hands-on skills in practical applicability of the subject, learners need to be equipped with soft-skills and values which will help them function effectively as an individual, and as a member or leader in diverse teams and in Software industries.
PO 10	This Programme enables the learners to perform the jobs in diverse fields such as software industries, survey, education, banking, development-planning, business, public service, IT-business etc. efficiently. At the end of the programme students will be able to increase their employability through subject knowledge and additional skills.
