

# ST. WILFRED'S P.G. COLLEGE

(Affiliated to the University of Rajasthan)

## PROGRAMME OUTCOME

### MA/MSC Psychology

PO-1	Learn communication, and acquire critical thinking skills through internships, practicum placements, and dissertations.
PO-2	Develop integrity, sensitivity, and an appreciation for the diversity of the human experience.
PO-3	Be encouraged to keep abreast of current trends in the field of psychology.
PO-4	Students will demonstrate basic competency in applied psychology and counseling theories
PO-5	Students will integrate knowledge of how various cultures, dimensions of diversity and social stress impact both clinical work and mental health/recovery.
PO-6	Students will apply interpersonal communication and presentation skills which are related to high integrity and effective practice.
PO-7	Students will evaluate relevant research by (a) illustrating critical thinking and (b) producing scientific writing.
PO-8	Students acquire knowledge of key concepts, theories and findings in three broadly defined areas of psychology: Applied and Evaluative Psychology, Social, Cognitive & Developmental Psychology, and Biopsychology & Comparative Psychology.
PO-9	Students learn to reason scientifically, interpret and use statistics, and critically assess and conduct psychological research.
PO-10	Students learn to write scientific papers in the format specified by the American Psychological Association, how to write a MA thesis based on original empirical research, and how to present their research at conferences.
