INDEX (2019-2020)

S.No	Name of the Activity	Number of Students Enrolled	Name of the Agencies/Resource Person involved with Contact Details (if any)
1.	Career Counselling Session for 12 th Students	77	Mr. Vikash Fulwariya
2.	Seminar on Personality Development for BBA students	128	Prof. S.C. Jain
3.	Guest Lecture on Mental Health	93	Prof. Mukta Singhvi
4.	Guest Lecture on IoT(Internet of Things)	98	Mr. Rohit Barotia
5.	Seminar on 'Fundamental' Concept in Inorganic and Organic Chemistry'	148	Dr. Mudit Gupta
6.	A Visit to Psychiatric Department (SMS Hospital)	56	Ms. Ayushi Tyagi
7.	Interaction Programme 'My Safer Jaipur'	97	Prof. Rajeev Gupta
8.	Industrial Visit for BCA Students "ARDEN Telecom,Jaipur"	47	Arden Telecom, Jaipur
9.	Swachh Bharat Abhiyan	33	Mr. Kaushal Kishore
10.	Survey on 'Impact of Tie and Dye in Textile Industry Sanganer'	73	Textile Industry Sanganer
11.	Visit Waste Plastic Treatment Plant by Department of Chemistry	139	Dr Neetu Gaur
12.	Workshop on Ethical Hacking	129	Dr. Amit Thakhur
13.	Industrial Tour to Cement Industry	88	Mr. Sudhir Verma
14.	Workshop on Psychology as a career: Prospects & Future Possibilities	139	Prof. AVS Madnawat
15.	Workshop for MJMC Students "Media Training"	24	Mr. Amit Verma
16.	Workshop on Chemistry and Career	123	Dr. Mridula Sharma
17.	Workshop on Environment Accounting	85	Prof T.I. Khan
18.	Seminar on Android Studio	116	Dr. Ruchi Sharma
19.	International Conference on Community Psychology	142	Prof.S.P.Sahni,Prof Ramjee Lal,Prof.Medankar

Activity Report	
Name of Activity	Career Counselling Session for 12 th Students
Title	"Career Counselling"
Date	23/7/2019
Venue	Seminar Hall, St. Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Mr. Sudhir Verma
Resource Person	Mr. Vikash Fulwariya
Enrolled Students	77
Event Summary	<p>Career Counselling Session for 12th Students was conducted on 23 July, 2019. A career counselling session is a meeting between a professional career counsellor and an individual seeking guidance and advice regarding their career path. The session usually involves discussions about the individual's interests, skills, values, and aspirations, with the goal of helping them make informed decisions about their career. Career counselling sessions have been an important resource for individuals seeking guidance and support in their career journey. These sessions were often conducted by trained professionals with expertise in career development and counselling. During the session, the career counsellor would typically conduct assessments to identify the individual's strengths, weaknesses.</p>

Name of Activity	Seminar on Personality Development for BBA students
Title	Personality Development
Date	28/8/2019
Venue	St. Wilfred's PG College, Jaipur
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Dr. Pratibha Gupta
Resource Person	Prof. S.C. Jain
Enrolled Students	128
Event Summary	A seminar on Personality Development was held in college. The seminar was organized by the Student Affairs department, and it was attended by students from various faculties, including BBA students. The seminar was well-received by the students, who found it informative and engaging. The BBA students, in particular, appreciated the insights into how to improve their personalities and become successful in their future careers. The seminar was a reminder that personality development is an ongoing process and requires continuous effort and self-reflection. The seminar left a lasting impression on the students, who left feeling inspired and motivated to work towards developing their personalities.

Activity Report	
Name of Activity	Guest Lecture by Professor Vishawa Choudhary (University of Rajasthan) on Mental Health
Title	Mental Health
Date	2/9/2019
Venue	Seminar Hall, St Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Ms. Ayushi Tyagi
Resource Person	Dr. Vishawa Choudhary
Enrolled Students	93
Event Summary	<p>A guest lecture on Mental Health took place in college. It was discussed that Mental health is an important aspect of overall well-being that affects how we think, feel, and behave. It refers to our emotional, psychological, and social well-being and affects how we handle stress, relate to others, and make decisions. Good mental health is essential for leading a fulfilling and productive life, but unfortunately, mental health issues are prevalent in our society. It is estimated that one in four people worldwide will experience mental health problems at some point in their lives. There are various factors that can affect mental health, including genetics, environment, life experiences, and social and cultural factors. Mental health disorders can range from anxiety and depression to more severe conditions such as bipolar disorder and schizophrenia. It is important to recognize the signs and symptoms of mental health issues and seek help when needed.</p>

Name of Activity	Guest Lecture by Eminent Educationist for BCA Part 1
Title	IoT(Internet of Things)
Date	2/9/2019
Venue	Seminar Hall, St. Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Ms. Shipra Sharma
Resource Person	Mr. Rohit Barotia
Enrolled Students	98
Event Summary	<p>A guest lecture by Eminent Educationist was conducted in St. Wilfred'd college. It was discussed that The Internet of Things (IoT) refers to the network of interconnected physical devices, vehicles, buildings, and other objects embedded with sensors, software, and connectivity, enabling them to collect and exchange data. The goal of IoT is to enable seamless communication between these devices, allowing them to work together to enhance the overall efficiency and effectiveness of a system.</p> <p>IoT is revolutionizing various industries, including healthcare, transportation, agriculture, and manufacturing. For example, in healthcare, IoT devices such as wearables and sensors can monitor a patient's vital signs remotely, enabling doctors to provide real-time diagnoses and treatment recommendations. In transportation, IoT-enabled sensors and devices can help improve road safety and reduce traffic congestion. In agriculture, IoT sensors can monitor soil conditions and weather patterns, enabling farmers to optimize crop yields and minimize waste.</p>

Activity Report	
Name of Activity	Seminar on 'Fundamental' Concept in Inorganic and Organic Chemistry'
Title	'Fundamental' Concept in Inorganic and Organic Chemistry'
Date	6/9/2019
Venue	Seminar Hall, St. Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Dr. Mridula Sharma
Resource Person	Dr. Mudit Gupta
Enrolled Students	148
Event Summary	<p>A seminar on the fundamental concepts in Inorganic and Organic Chemistry was held at the college's Chemistry department. The seminar was organized by the department and attended by students and faculty members. The seminar started with an introduction to the basic concepts of Inorganic Chemistry, including atomic structure, periodic table, chemical bonding, and properties of elements and compounds. The speaker highlighted the importance of these concepts in understanding the behavior of inorganic compounds and their reactions. The seminar then moved on to Organic Chemistry, where the speaker explained the fundamental concepts of organic chemistry, including molecular structure, functional groups, stereochemistry, and reaction mechanisms. The speaker emphasized the importance of understanding these concepts in designing and synthesizing new organic compounds.</p>

Name of Activity	Visit to Psychiatric Department (SMS Hospital) for Psychology Students
Title	A Visit to Psychiatric Department (SMS Hospital)
Date	24/9/2019
Venue	SMS Hospital
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Ms. Ayushi Tyagi
Enrolled Students	56
Event Summary	A visit to a psychiatric department was an eye-opening experience for everyone. The psychiatric department was a section of the hospital that specialized in treating patients with mental health conditions. Mental health conditions ranged from anxiety and depression to more severe conditions such as schizophrenia and bipolar disorder. The environment in the psychiatric department was different from other areas of the hospital. It was often quieter and more subdued, with the focus on creating a calm and supportive atmosphere. The students were benefited by this visit.

Name of Activity	Interaction Programme 'My Safer Jaipur'
Title	'My Safer Jaipur'
Date	26/9/2019
Venue	St. Wilfred PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Mr. Sudhir Verma
Resource Person	Prof. Rajeev Gupta
Enrolled Students	97
Summary	<p>My Safer Jaipur was a campaign that aimed to promote awareness about safety and security among citizens in Jaipur. The campaign was organized by a group of volunteers who were concerned about the rising incidents of crime and violence in the city. The campaign involved a number of initiatives, including public awareness campaigns, safety workshops, and community policing programs. The aim of the campaign was to encourage citizens to be more vigilant and take steps to ensure their own safety, as well as that of their communities. During the campaign, volunteers organized a number of events and workshops, where citizens were provided with information and training on safety and security. The initiative helped to promote a sense of community involvement and encouraged citizens to take an active role in ensuring their own safety and that of their neighborhoods. Overall, the campaign was a valuable initiative that contributed to making Jaipur a safer and more secure city.</p>

Title	Industrial Visit
Date	28/9/2019
Venue	ARDEN Telecom, Jaipur
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Ms. Shipra Sharma
Resource Person	Mr. Arun Singh
Enrolled Students	47
Event Summary	<p>An industrial visit was organized for BCA (Bachelor of Computer Applications) students to a prominent IT company in the city. The visit aimed to provide students with a practical understanding of how an IT company operates and how theoretical concepts learned in the classroom are applied in the real world. Upon arrival, the students were greeted by the company officials, who provided an overview of the company's history, mission, and vision. The students were then taken on a tour of the company, where they were able to witness firsthand the day-to-day operations and the different departments involved in running the company.</p> <p>The students had the opportunity to interact with the company's employees, who shared their experiences and provided insights into their respective roles and responsibilities. The students were able to learn about the latest technologies used by the company and the various software development processes involved in creating an application.</p>

Venue	St. Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Mr. Sudhir Verma & Dr. Monika Sharma
Resource Person	Mr. Kaushal Kishore
Enrolled Students	33
Event Summary	Swachh Bharat Abhiyan took place with enthusiasum. The campaign focuses on building toilets and sanitation infrastructure, promoting cleanliness and hygiene, and spreading awareness about the importance of keeping the environment clean. The Swachh Bharat Abhiyan has been successful in creating a clean and healthy environment in various parts of the country. The campaign has also brought about a change in people's attitudes towards cleanliness and hygiene. Many people have taken up the initiative to keep their surroundings clean, and several schools and colleges have organized cleanliness drives to promote the campaign. The Swachh Bharat Abhiyan has also been successful in promoting the use of toilets and creating awareness about the importance of sanitation. The campaign has led to the construction of millions of toilets across the country, providing access to proper sanitation facilities to millions of people.

Activity Report	
Name of Activity	Survey on 'Impact of Tie and Dye in Textile Industry Sanganer' by Department of Geography
Title	Impact of Tie and Dye in Textile Industry
Date	14/10/2019
Venue	Sanganer
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Mr. Roopendra Singh
Enrolled Students	73
Event Summary	<p>The Survey on 'Impact of Tie and Dye in Textile Industry Sanganer' conducted by the Department of Geography was a comprehensive study that aimed to assess the social, economic, and environmental impact of tie and dye textile production in Sanganer. The survey was conducted over a period of several weeks, during which researchers visited various textile production units in Sanganer and interviewed workers, managers, and other stakeholders in the industry. The survey also included a comprehensive analysis of existing data and literature related to tie and dye textile production in the region. The findings of the survey revealed that tie and dye production had a significant impact on the local economy, providing employment opportunities to a large number of people in the region. However, it was also found that the production process had a negative impact on the environment, with many textile production units discharging untreated wastewater into local water bodies.</p>

Name of Activity	Visit Waste Plastic Treatment Plant by Department of Chemistry
Title	A Visit on Waste Plastic Treatment
Date	14/10/2019
Venue	VKI, Jaipur
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Dr. Neetu Gaur
Enrolled Students	139
Event Summary	The visit to the Waste Plastic Treatment facility was an eye-opening experience that provided valuable insights into the process of plastic waste management. The facility was designed to treat and recycle waste plastic, with the aim of reducing the amount of plastic waste that ends up in landfills and the environment. During the visit, we were given a tour of the facility, where we saw firsthand the various stages of the plastic waste treatment process. We learned about the different types of plastic waste that can be recycled, as well as the various technologies and equipment used in the treatment process. Overall, the visit to the Waste Plastic Treatment facility was a valuable experience that provided us with a greater understanding of plastic waste management.

Name of Activity	Two day workshop on Ethical Hacking
Title	Ethical Hacking
Date	15/10/2019
Venue	Seminar Hall, St. Wilfred PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Ms. Shipra Sharma
Resource Person	Dr. Amit Thakur
Enrolled Students	129
Event Summary	<p>The workshop was conducted by an experienced cybersecurity professional who began by introducing the participants to the basics of cybersecurity, the types of cyber-attacks, and the difference between ethical and unethical hacking. The participants were also taught about the different phases of ethical hacking, which include reconnaissance, scanning, enumeration, gaining access, maintaining access, and covering tracks. The workshop included hands-on sessions where participants were taught to use various hacking tools and techniques, such as password cracking, network scanning, and exploiting vulnerabilities. The participants were also provided with guidance on how to prevent and detect cyber-attacks and the importance of maintaining strong passwords, secure networks, and software updates. The workshop also focused on the legal and ethical implications of ethical hacking and the importance of obtaining proper authorization before attempting any form of hacking.</p>

Activity Report	
Name of Activity	Industrial Tour
Title	Industrial Tour to Cement Industry
Date	17/10/2019
Venue	Chittorgarh
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Mr. Sudhir Verma
Enrolled Students	88
Event Summary	<p>The tour began with a brief introduction about the history and importance of the cement industry in the construction sector. The students were then taken on a guided tour of the cement plant, where they were shown the various stages involved in the production of cement, including mining, crushing, blending, and grinding. The students were also given a demonstration of the latest technologies used in the production of cement, such as vertical roller mills, rotary kilns, and ball mills. The tour provided the students with a practical understanding of the various components of the cement plant, such as the raw material storage, preheater tower, and cement silos. The students were also shown the quality control laboratory, where they were introduced to the various testing procedures used to ensure the quality of cement, such as the fineness test, compressive strength test, and setting time test.</p>

Activity Report

Name of Activity	Workshop for Psychology Students
Title	Psychology as a career: Prospects & Future Possibilities
Date	26/11/2019
Venue	St. Wilfred's PG college
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Dr. Manisha Tiwari
Resource Person	Prof. AVS Madnawat
Enrolled Students	139
Event Summary	The workshop on "Psychology as a Career: Prospects and Future Possibilities" was an insightful event that aimed to provide students with valuable information about the various career paths available in the field of psychology. The workshop was organized by the Department of Psychology and was attended by a large number of students and professionals from various fields. The event featured a range of expert speakers, including psychologists, academics, and industry professionals, who shared their experiences and insights into the field of psychology. The workshop covered a range of topics, including the different career paths available in psychology, the skills and qualifications required for success in the field, and the challenges and opportunities that exist for psychologists in the modern job market. Attendees were provided with valuable information about the various job opportunities available in the field, including roles in clinical psychology, counseling, education, research, and human resources.

Activity Report	
Name of Activity	Workshop for MJMC Students
Title	Media Training
Date	27/11/2019
Venue	St. Wilfred PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Ms. Sushma Sharma
Resource Person	Mr. Amit Verma
Enrolled Students	24
Event Summary	<p>Media Training is an essential skill for professionals who are required to engage with the media regularly. The training aims to prepare individuals to effectively communicate with the media, both in crisis situations and during routine interactions. The training program covers a wide range of topics, including understanding the media landscape, creating effective messages, handling difficult questions, and delivering powerful presentations. The training also provides participants with practical tips and techniques for communicating confidently and effectively with the media. The training is typically conducted by experienced media professionals who have a deep understanding of the media industry and the role of media in shaping public opinion. They provide participants with insights into the working of the media and share their experiences and best practices. During the training program, participants are given practical exercises to practice their communication skills and develop effective messaging strategies. They also learn how to handle difficult questions and create compelling sound bites that capture the attention of the media and the public.</p>

Activity Report

Name of Activity	Workshop on Chemistry and Career
Title	Chemistry and Career
Date	23/12/2019
Venue	St. Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Dr. Neetu Gaur
Resource Person	Dr. Mridula Sharma
Enrolled Students	123
Event Summary	<p>The seminar on Chemistry and Career was an insightful event that provided a platform for students to learn about the diverse career options available to them in the field of chemistry. The seminar was led by experts in the field of chemistry and industry professionals who shared their experiences and insights. During the seminar, we were introduced to the various career paths that are available in the field of chemistry. We learned about the different roles and responsibilities of chemists in different industries, including pharmaceuticals, biotechnology, petrochemicals, and environmental science. The speakers highlighted the importance of having a strong foundation in chemistry, and how this could lead to a successful career. They also emphasized the need for continuous learning and development in order to stay relevant in an ever-changing industry. Overall, the seminar on Chemistry and Career was an informative and inspiring event that provided us with a glimpse into the diverse career opportunities available in the field of chemistry. It reinforced the importance of developing a strong foundation in chemistry and continuously learning and growing in order to succeed in this exciting and dynamic industry.</p>

Name of Activity	Seminar on Android Studio
Title	Android Studio
Date	23/12/2019
Venue	Seminar Hall, St. Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Ms. Shipra Sharma
Resource Person	Dr. Ruchi Sharma
Enrolled Students	116
Event Summary	<p>Android Studio is an integrated development environment (IDE) used by developers to build and test Android apps. It provides a range of features and tools to help developers create high-quality Android apps with ease. The platform was easy to navigate, with a clear layout and intuitive design that made it easy to access and use the various features and tools. One of the key features of Android Studio was the ability to create virtual devices, which allowed the students to test my apps on a range of different devices without the need for physical hardware. This feature was particularly useful as it allowed them to simulate different screen sizes, resolutions, and other device specifications, ensuring that the app was compatible with a range of different devices.</p>

Entrepreneurship Development Cell	
Activity Report	
Name of Activity	A Campaign for Protection of Cow from Plastic
Title	A Campaign for Protection of Cow from Plastic
Date	24/2/2020
Venue	St. Wilfred's PG College
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Mr. Sudhir Verma
Resource Person	Ms. Mariyam
Enrolled Students	41
Event Summary	<p>The "Campaign for Protection of Cow from Plastic" was launched on the 24 February, 2020 with the aim of creating awareness about the harmful effects of plastic on cows and promoting the use of eco-friendly alternatives. The campaign was initiated by a group of animal welfare activists who were concerned about the growing use of plastic and its impact on cows. Plastic bags and other plastic products are often mistaken as food by cows, which can lead to serious health problems and even death. The campaign involved a range of activities, including awareness drives, public rallies, and social media campaigns. The activists used various mediums to spread the message of the campaign, including billboards, posters, and videos. The campaign also encouraged the use of eco-friendly alternatives to plastic, such as jute bags, cloth bags, and paper bags. These alternatives are not only safe for cows but are also better for the environment as they are biodegradable and do not contribute to plastic pollution.</p>

Activity Report	
Name of Activity	Workshop
Title	Fact-checking
Date	10/06/2020
Venue	Google Meet Platform
Organized by	Entrepreneurship Development Cell
Faculty Coordinator	Mr. Amit
Resource Person	Ms. Archana Kumari
Enrolled Student	47
Event Summary	Fact-checking plays a crucial role in ensuring accurate and reliable information in mass communication. This activity report provides an overview of the key activities, achievements. Fact-checking initiatives have made significant contributions to promoting accurate information in mass communication. The collaborative efforts of fact-checking teams, media organizations, and other stakeholders have helped identify and rectify instances of misinformation, thereby enhancing public trust in the media. The achievements and lessons learned from this period will guide future fact-checking endeavors and reinforce the importance of upholding factual accuracy in mass communication.
Picture	 <p>The poster is for a webinar titled 'FACT-CHECKING' organized by St. Wilfred's P.G. College, Jaipur. It is part of the India Training Network in collaboration with Google News Initiative. The expert is Archana Kumari, an Assistant Professor at the Department of Mass Communication and New Media, Central University of Jammu. The date is 10th June, 2020 (Wednesday) Evening 6:00 pm. The poster also lists the Honorable Secretary (Dr. Keshav Badaya), Principal (Dr. Anupama Parashar), and Moderator (Amit Verma). It includes contact information for the college and a registration link.</p>
