NSS ROOM: The National Service Scheme (NSS) is a social service program initiated by the Government of India to promote social awareness and community service among young people. The NSS unit of our college is a student-led organization that aims to develop the overall personality of students through community service.

The NSS unit of our college is actively engaged in various social and community service activities, such as blood donation camps, health camps, tree plantation drives, cleanliness drives, and awareness campaigns on various social issues like health, sanitation, literacy, and women empowerment. The NSS unit works in close coordination with local NGOs and government bodies to organize these activities.

NCC ROOM: The National Cadet Corps (NCC) is a prestigious organization that aims to develop qualities such as leadership, discipline, and patriotism among the youth of the country. The NCC unit of your college is a vibrant and active organization that provides an opportunity for students to serve the nation while pursuing their studies.

The NCC unit of your college has a dedicated team of instructors who train and mentor the cadets. The unit provides training in various fields, including drill, shooting, adventure activities, and social service. The cadets of the NCC unit participate in various national and international level events such as Republic Day parade, Independence Day parade, and youth exchange programs.

The NCC unit of your college not only provides training in military skills but also emphasizes physical fitness and mental agility. The NCC cadets are encouraged to participate in various sports activities and events to develop a healthy mind and body.

Cafeteria:

The college has a spacious cafeteria which provides hygienic and fresh meals as well as snacks. Special monitoring is done on the quality of the materials served. The eatables served in the canteen are prepared under hygienic conditions and are of excellent quality and a treat for the taste buds. The canteen cell manages the canteen, which in consultation with students takes care of different aspects like hygiene, prices, timings, services etc. The food is served four times which include breakfast, lunch, evening snacks and dinner.

Conveyance Facility

The ride to the college is made easier by the college transport which is available for the students on payment basis. A fleet of buses provides pick-up and drop facility to students from various points covering almost all areas in the Jaipur city. This service is offered to ensure a hassle-free and safe transportation. Since the seats will be allotted on "First Come First Serve" basis, the needy students are advised to register for conveyance facility at the earliest.
