## 5.1

### Student Support

#### **“5.1.2: Capacity Development and Skills Enhancement Activities Organized for Improving Students Capability of ICT/computing skills”**

#### **Capacity Development and Skill Enhancement Activities**

St. Wilfred's PG College is deeply committed to organizing capacity development and skill enhancement activities that empower our students to tackle the challenges posed by the competitive and ever-evolving world. We understand the significance of staying ahead in today's fast-paced environment, and to ensure this, we conduct a variety of sessions, workshops, seminars, expert talks, and training programs for capacity development and skill enhancement. These opportunities are facilitated by resource persons who hail from within the college, as well as esteemed professionals from corporate sectors and prestigious educational and research institutions.

#### **INFORMATION AND COMMUNICATIONS TECHNOLOGY (ICT) SKILLS**

Our capacity development activities are specifically designed to impart knowledge about the latest technological advancements in the real world and to equip our students with the necessary skills to leverage these novel technologies for their career advancement. Through engaging seminars, interactive workshops, and hands-on training sessions, we foster a deep understanding and awareness of the most recent trends in technology.

At St. Wilfred's PG College, we strive to provide our students with a cutting-edge education that prepares them to excel in the dynamic landscape of ICT. We believe that by instilling this knowledge and expertise, our students will be better equipped to embrace the challenges and opportunities of the digital age, thereby becoming leaders and innovators in their respective fields.
