EventSummary	The Data Science Workshop at St. Wilfred's P. G. College achieved its objectives of introducing students to the field of data science and equipping them with fundamental skills and knowledge. By providing hands-on experience and exposure to real-world applications, the workshop inspired students to explore the dynamic and promising field of data science further. Continued efforts to offer such workshops and courses will undoubtedly contribute to fostering a data-literate generation capable of making informed decisions in the data-driven world.

TPO CELL & Department of Computer Science	
Activity Report	
Name of Activity	Webinar for BCA students
Title	Webinar on application of Data Science
Date	12-01-2021
Venue	St. Wilfred's P. G. College, Jaipur
Organized by	TPO CELL & Department of Computer Science
Faculty Coordinator	Ms Shipra Sharma
Resource Person	Dr Manish Sharma
Enrolled Student	150
Event Summary	The application of Data Science Webinar at St. Wilfred's P. G. College achieved its objectives of introducing students to the field of data science and equipping them with fundamental skills and knowledge. By providing hands-on experience and exposure to real-world applications, the workshop inspired students to explore the dynamic and promising field of data science further. Continued efforts to offer such workshops and courses will undoubtedly contribute to fostering a data-literate generation capable of making informed decisions in the data-driven world.
