6.2.2

Strategy Development and Deployment

"6.2.2: Institution implements e-governance in its operations"

Portals used by Finance and Accounts Office

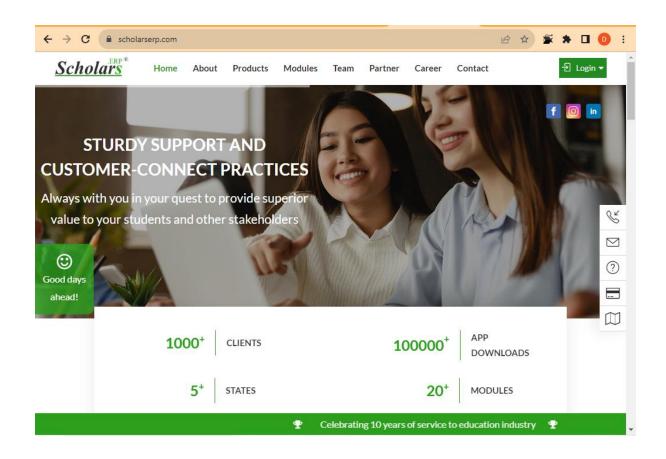

Scholars .ERP is used by the Accounts Office to maintain all the financial data of the college. Scholars. ERP has advanced features which helps the staff to maintain financial records effectively and efficiently. Profit and loss, Balance Sheet is generated through this software only. All the analysis reports are also generated through Scholars .ERP

Strategy Development and Deployment

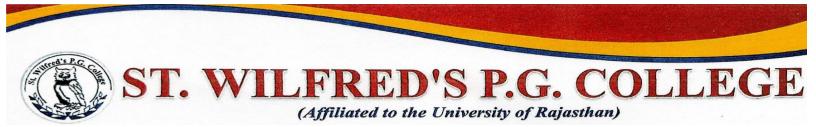

"6.2.2: Institution implements e-governance in its operations"

Portals used for Students Admission and Support

- Admission Module is used to provide an online form with Data fields as perrequirements.
- Students are required to submit a separate Online Application Form for taking admission to the college and for this purpose Admission Management Console is used by the Admission Coordinator.
