## POLICY ON SEXUAL HARASSMENT

### Preamble

With regard to the Supreme Court Judgments and guidelines issued in 1997 to provide for the effective enforcement of the basic human right of gender equality and guarantee against sexual harassment and abuse, more particularly against sexual harassment at work places to develop guidelines to combat sexual harassment, violence against women and ragging at the colleges. Keeping the above guidelines in view St Wilfred PG college Mansarovar has constituted a Committee against Sexual Harassment.

St Wilfred PG college Mansarovar has committed itself to provide a congenial and conducive atmosphere in which students, teachers and non-teaching staff can work together in an environment free of violence, harassment, exploitation, and intimidation. This includes all forms of gender violence, sexual harassment, and discrimination on the basis of gender. Every member is expected to be aware of the commitment to the right to freedom of expression and association; it strongly supports gender equality and opposes any form of gender discrimination and violence.

The Supreme Court of India, in a landmark judgment in August 1997 (Vishaka & others vs. the State of Rajasthan & others) stated that every instance of sexual harassment is a violation of "Fundamental Rights" under Articles 14, 15, and 21 of the Constitution of India, and amounts to a violation of the "Right to Freedom" under Article 19 (1)(g). Another Supreme Court Judgment in January 1999 (Apparel Export Promotion Council vs. Chopra) has stated that sexually harassing behaviour "needs to be eliminated as there is no compromise on such violations". The Supreme Court further reiterated that sexual harassment "is a violation of the fundamental right to gender equality and the right to life and liberty".

## Anti-Sexual Harassment Cell

### Introduction

The college has established an Anti-Sexual Harassment Cell to prevent the harassment on gender basis and to ensure the safety and security of girl students and lady faculty members. The institution also conducts gender audit once a year so as to ensure that all measures are functioning to the satisfaction of stakeholders. The Anti Sexual Harassment Cell has placed a drop box outside the office of the principal so that students easily discuss their issues on gender inequality, violence or any other problem.

### Roles and Responsibilities: -

A Women Cell has been constituted in the college to deal with the women issues through regular interactions of the women faculty members of the cell with the girl students. The cell works on issues of women, especially gender sensitization and awareness issues. The cell is functioning as per the guidelines issued by the honorable Supreme Court and Government of India and works in association with State Women Commission and High Court. Seminars and talks are organized by the cell to make the women students/ faculty members aware of their rights. The college supports them with motivational talks on the topics like: Save the girl child, decline in the sex ratio, infant mortality rate, women empowerment, women property rights, legal awareness and other such social aspects.

The environment of institution is conducive to educational growth of girl students and they are in close contact with their mentors and regularly avail advises and guidance from them. Mentor not only monitors their academic growth but also sees to it that they do not face any difficulty inside or outside the college. Psychological counseling is also available along with social and legal counseling for girls in the college. The college is also associated with NGO working on gender issues and so students can avail their help if required so. The cell also organizes various types of training programs and creates awareness about self-employment schemes for the encouragement of self-reliance among women.

Prevention of Sexual Harassment Committee-To facilitate a safe environment that is free from a sexual harassment, a policy of zero tolerance in this regards has, I been adopted by the College. No such grievances have been received by the College related to sexual harassment in the last five years or earlier.

The probable reason behind non-receipt of such grievances is the adoption of two student friendly systems-i.e. Tutor- guardian System and Career Counseling and Development Cell which are aimed at addressing the issues and problems of students (if any). Both these systems aim to instill in students a sense of security they will be heard. As a result, no grievances are received to the prevention of sexual harassment and Anti-Ragging committee.

The college takes pride in its unique Tutor- guardian system that has helped the students and their parents in a way by bridging the paths of communication and making communication easy and effective. This system aims at enabling, fostering and nurturing constructive and positive interaction, guidance and mentorship of students by faculty members and facilitates the dialogue between teachers, the irrespective student-wards and parents.

Every student is allotted a female mentor at the beginning of their academic journey in the college, which remains same throughout their stay in the campus. The tutor-guardian may contact their mentee any time either on phone or in the free slots of the mentee which are shared by her. ## Student Grievance-Redressal Mechanism

The Student Grievance Redressal Committee at St. Wilfred's PG college Mansarovar Jaipur looks into complaint lodged by students and judges each case on its merit. The Committee is empowered to look into both academic and non-academic matters. It has been constituted to maintain a responsive, disciplined, accountable and harmonious atmosphere among all the members of the college. The Committee meets once in three months, or as and when required, at the instance of the Nodal Officer.

### Scope:

The scope of the Committee includes:

- Facilitating a fair and just evaluation of student-complaints
- Developing a student support system based on feedback/grievance/complaints
- Encouraging a student-friendly, learner-centric system

### Functions:

Each case is attended to promptly on the receipt of written grievances from the students.

The Committee then gives a report to the higher authorities about the cases attended to and the number of pending cases, if any, which require direction and guidance from them.

The Committee thus ensures a fair, unbiased and transparent resolution of student grievances. Process for lodging a complaint: The students may feel free to submit a grievance in the Format available on the college website and mail it on [grievanceswpg@gmail.com](mailto:grievanceswpg@gmail.com) in or drop it in a Complaint Box outside principal chamber

**Complaint Box**— A Complaint Box has been placed at outside principal chamber for students to access it conveniently and drop the duly filled-in Grievance Form.

**Open Door Policy**— All students are free to personally contact the Principal, or the convener of committee, during the college working-hours

Title	A Campaign for Protection of Cow from Plastic
Date	24/2/2020
Venue	St. Wilfred's PG College
Organized by	Department of Environmental Science
Faculty Coordinator	Mr. Sudhir Verma
Resource Person	Ms. Mariyam
Enrolled Students	41
Event Summary	<p>The "Campaign for Protection of Cow from Plastic" was launched on the 24 February, 2020 with the aim of creating awareness about the harmful effects of plastic on cows and promoting the use of eco-friendly alternatives. The campaign was initiated by a group of animal welfare activists who were concerned about the growing use of plastic and its impact on cows. Plastic bags and other plastic products are often mistaken as food by cows, which can lead to serious health problems and even death. The campaign involved a range of activities, including awareness drives, public rallies, and social media campaigns. The activists used various mediums to spread the message of the campaign, including billboards, posters, and videos. The campaign also encouraged the use of eco-friendly alternatives to plastic, such as jute bags, cloth bags, and paper bags. These alternatives are not only safe for cows but are also better for the environment as they are biodegradable and do not contribute to plastic pollution.</p>

## मोस्ट अंडर स्टैंडिंग स्किल फॉर सक्सेस पर ऑनलाइन टॉक आयोजित

ब्यूरो/नवज्योति, जयपुर। सफल होने के कई रास्ते हैं, लेकिन निर्भर यह करता है कि हम किस रास्ते को चुनते हैं। इसमें यह बात भी मायने रखती है कि वह रास्ता आपके लिए कितना उपयुक्त है। सफल लोगों में एक बात समान होती है।

वे कुछ खास आदतें विकसित कर लेते हैं। कुछ इसी तरह की बातें मानसरोवर स्थित सेंट विल्फ्रेड पीजी कॉलेज के डिपार्टमेंट ऑफ कंप्यूटर साइंस की ऑनलाइन मोस्ट अंडर स्टैंडिंग स्किल फॉर सक्सेस: लिसनिंग स्किल विषय पर एक दिवसीय एक्सपर्ट टॉक में सामने आई। इस मौके पर अंतरराष्ट्रीय स्तर

पर ख्याति प्राप्त सिटी कॉलेज, टोरंटो कनाडा के विकास केसरी, सेंट विल्फ्रेड एजुकेशन सोसायटी के मानद सचिव डॉ. केशव बड़या, प्रिंसिपल डॉ. फरीदा हासनी ने कहा कि सफलता क्या है, हर किसी की सफलता की परिभाषा दूसरों से भिन्न है। इसलिए हर किसी की सफलता की व्याख्या अलग होती है।

कुछ के लिए यह मन की एक अवस्था है। विकास केसरी ने कहा कि मेरे विचार से सफलता कभी पूर्ण नहीं होती है, बल्कि यह सापेक्ष होती है। यह सिर्फ एक अल्पविराम है, पूर्ण विराम नहीं। ऐसा करने के लिए जरूरी है कि हम सुनने को एक कौशल मानें।
