7.1.3 Quality audits on environment and energy regularly undertaken by the Institution. The institutional environment and energy initiatives are confirmed through the following:

- 1.Green audit / Environment audit**
- 2.Energy audit**
- 3.Clean and green campus initiatives**
- 4.Beyond the campus environmental promotion activities**

7.1.3 Quality Audits on Environment and Energy Regularly undertaken by the institution

St. Wilfred's PG College is committed to ensure the highest standards of environmental sustainability and energy efficiency on campus. To ensure that these standards are maintained, the institution regularly undertakes quality audits in these areas.

The environmental quality audit is a comprehensive assessment of the institution's environmental performance, including its impact on air and water quality, waste management, and energy consumption. This audit is conducted by a team of experts who evaluate the institution's compliance with environmental regulations and industry best practices. The audit results are used to identify areas for improvement and to develop strategies for reducing the institution's environmental footprint.

In addition to the environmental quality audit, St. Wilfred's PG College also undertakes regular energy audits. These audits are designed to identify opportunities for improving energy efficiency and reducing energy costs on campus. The audits typically involve a detailed analysis of the institution's energy consumption patterns, as well as an assessment of the efficiency of its energy systems and equipment. Based on the results of the audit, the institution develops an energy management plan that outlines specific actions to be taken to reduce energy consumption and costs.

The institution also regularly monitors and reports on its environmental and energy performance. This includes tracking its greenhouse gas emissions, water consumption, waste generation, and

energy use. The data collected is used to identify trends, set targets, and track progress towards achieving sustainability goals.

St. Wilfred's PG College is committed to continuous improvement in the areas of environmental sustainability and energy efficiency. Through regular quality audits and ongoing monitoring and reporting, the institution is able to identify opportunities for improvement and take proactive steps to reduce its environmental footprint and improve its energy efficiency.

Clean and green campus

Action Taken Report

- The Institute had organized Cleanliness Drive in association with the NSS unit and IQAC, St. Wilfred PG College in different occasions like World Environment Day, Earth Day and before and after the special functions organized in the institute.
- Plantation Drives had been organized time to time in and around the campus by the institute in association with Environment Management Committee and NSS Unit. Students and staff members participate in this Plantation Programme with great enthusiasm.
- Green Campus initiatives by the institute include Water Conservation, Tree Plantation, Waste Management, and Alternative Energy. With this in mind, Green audit has been conducted by the institute.
- Slogans on Energy Conservation, Water conservation, Conservation of Greenery etc. has been placed by the institute within the campus to aware the students towards energy and greenery conservation.
- Green, Energy and Environment Audits are conducted by Advanced Centre of Environmental Studies and Sustainable Development, Mahatma Gandhi University, Kottayam in the academic year 2020-2021. As per the report of the auditing agency, the following actions are taken:
 - CFLs are replaced by LED lamps
 - Strict instructions are given to faculty, staff and students to unplug and turn off electrical appliances when not in use or after use
 - Regular check-up on the gadgets are done to improve their efficiency Periodic water quality assessment is done regularly
 - Measures are taken to sanitize water coolers.
 - Wastes produced in each department are quantified and data is prepared for the effective waste management in the campus

ST. WILFRED'S P.G. COLLEGE

(Affiliated to the University of Rajasthan)

- Waste management committee spearheaded by the Principal is formed for the proper monitoring of waste management activities in the campus
- Measures are taken to effectively implement green protocol in the campus.
- Staff and students are more aware of the environment;
- Students enthusiastically engage in green projects and eco-friendly initiatives;
- Green protocol is carefully upheld
- Acquired energy-efficient appliances to reduce energy use in the science departments.
- To increase the effectiveness of the devices, annual inspections are performed.
- Staff members and students are reminded to unplug and turn off electrical devices when not in use or right after usage.
- Periodic evaluations of the water quality are conducted as part of internal and external audits.
- Periodic awareness campaigns are held, as well as posters promoting the topic, to reinforce the current water management techniques.
- The installation of high-quality pipelines for collecting laboratory waste water
- Regular chlorination of the primary water sources Audit of Waste

राजस्थान

वन्यजीव सप्ताह के अन्तर्गत आयोजित चित्रकला प्रतियोगिता में बना विश्व रिकॉर्ड

हमारा समाचार

'वन विभाग एवं 'द अर्थ एक्सप्लेन' की संयुक्त संयोजित 'वन्य जीव सप्ताह' के दौरान 7 अक्टूबर को राजधानी जयपुर के विभिन्न शिक्षण संस्थानों में बृहद स्तर पर 'वाल्ड लाइफ वीक' पर आधारित चित्रकला प्रतियोगिता का आयोजन किया गया।

मिशन कोयिन संस्थान द्वारा स्थान पर इस बृहद स्तरीय कार्यक्रम का उद्देश्य युवा वर्ग में वन्य जीवों के प्रति जागरूकता और सहजता उत्पन्न करने के साथ-साथ प्रकृति के इस अति अनिवार्य घटक के प्रति कर्तव्यनिष्ठता का भाव जाग्रत करना है।

एक्सप्लेन की अध्यक्ष डॉ. हेमलता शर्मा ने बताया कि भव्य स्तर पर आयोजित इस चित्रकला प्रतियोगिता में अनुमानतः 13 हजार से अधिक विद्यार्थियों ने भाग लिया। उन्होंने बताया कि विद्यालय स्तर पर चयनित विद्यार्थी जिला स्तरीय फाइनल राउण्ड प्रतियोगिता में प्रतिभाग करेंगे।

उल्क चयनित विद्यार्थियों को

एलित कला अकादमी द्वारा पुरस्कार एवं प्रशस्ति पत्र देकर सम्मानित किया जायेगा। व्याख्याता कुंवर कनक शिंदे राव ने बताया कि इस बृहद चित्रकला आयोजन ने वैश्विक स्तर पर अपनी पहचान दर्ज कराई है। आयोजन की उत्कृष्टता और विद्यार्थियों के कारण यह कार्यक्रम 'विश्व रिकॉर्ड' में दर्ज किया गया है। वन्य जीव सप्ताह के दौरान 'वाल्ड लाइफ' से सम्बद्ध अनेक

प्रतियोगिताएं आयोजित कर वन्य जीवों के संरक्षण का संदेश प्रसारित किया गया है। इस आयोजन ने विद्यार्थी वर्ग के साथ-साथ आमजन चेतना का ज्ञान भी अपनी ओर आकृष्ट किया है। डॉ. हेमलता के अनुसार वर्तमान में वन्य जीवों का संरक्षण प्राकृतिक तालमेल की एक आवश्यक शर्त है। क्योंकि जीते दशकों में जिस भाँति वन्य जीवों की प्रजातियाँ विलुप्त हो

रही है, वह पर्यावरण संतुलन के लिए घातक है, साथ ही ऐसी परिस्थितियाँ प्राकृतिक अस्तित्व को उत्पन्न कर मानव प्रजाति पर आने वाले संकट को भी दिखाती हैं। अतः ऐसे समय में हमें इस दिशा में गंभीर प्रयास करने की आवश्यकता है... वन्य जीव सप्ताह व जैसे कार्यक्रम इस कड़ी में जागरूकता का एक छोटा सा कदम है जो बड़े अर्थ को टालने की क्षमता से युक्त है।

ACTION TAKEN REPORT ON ENVIRONMENTAL PROMOTIONAL ACTIVITIES BEYOND THE CAMPUS

St. Wilfred PG College efforts to create awareness on environmental issues by conducting environmental promotional activities by students and staff to provide a healthy environment among the people in areas.

With the help of NSS volunteers, various campaigns, awareness programs and environmental promotional activities were organized.

The following activities were planned:

- Plantation
- Geological Survey of India (GSI) Museum Visit
- World Ozone Day
- 1-7 October 2022 Octobers Wild Life Week
- World Earth Day 5 June 2022
- World Environment Day 5 June 2022
- A Visit on Waste Plastic Treatment 14/10/2019
- World Wildlife Week & Quiz Competition (Online) 6/10/2020
- National Webinar on Bio-Diversity
- Inter college Nukad Natak: "Health and Hygiene"
