WHY TO CHOOSE ST. WILFRED'S P.G. COLLEGE

- Academic Environment: Class-test, Mid Term and Pre University exam after course completion, Competitive classes without any extra charges, Quiz, PPt. Presentations, workshops, seminars, conferences, online learning & video lectures.
- Course work: Learning through classroom activities, laboratory work and site visits.
- Faculties: Highly Qualified, experienced and dedicated faculties
- Scholarships are given to meritorious students, economically weak students and sports champions.
- Harmony among students: Students are encouraged to learn from their seniors.
- Extracurricular activities: Cultural events, dance, literature festivals, exhibitions, sports and many pursuits for overall development of the students.
- Communication skills development: Group discussions, debates, extempore are organized to improve communication skills of the students.

- Exposure to industries through visits and projects for practical learning experiences.
- Placements assistance: Well established training and placement cell act as bridge between Wilfredians and corporate bodies.
- NSS & NCC Units: Our NCC and NSS units abet students to fulfill their responsibilities towards society by making their active participation in programs like blood donation camps, plantation, clean India campaigns etc.
- Separate hostels for boys and girls such that the students feel home away from home.
- Aesthetic Infrastructure Our alluring and thoughtfully designed infrastructure with all modern amenities like Wi-Fi, CCTV cameras etc. plays budding hand in creating a favourable atmosphere for student's growth.
 We create an environment that not only assure learning but also pay attention to the mental and physical well-being of the students.
 Excellently refurbished, spacious and well ventilated building ensures highest comfort to them.
- Hence St. Wilfred's P.G. College is one of the best choices to nurture talent, change them to better person and make students ready for the world outside.

HUMAN VALUES

Education is considered to be the most powerful weapon during every era and in every society. Importance for transmission of values to the students is more essential than other things. It is the responsibility of an educator to transfer the values in such a way that it should not violate the freedom and autonomy of the learner's education. At St. Wilfred's PG College we provide moral values to our students for developing personality, preservation of culture, promotion of social justice, scientific temper, democracy, and secularism etc. These values help in perfect development of reasoning, control impulses, focused towards the goal for promoting value of human excellence.

It opens the perks in accounting, managerial and academics services in public and private enterprises.

Academic Activities

Teaching Methodology

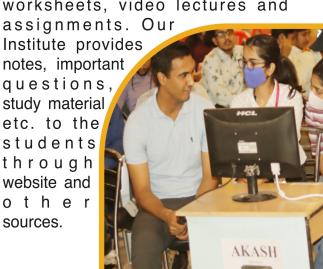

The college aims to provide quality education to the students through career counseling, personality development, spoken English programmes and make them able to compete h the job market. Before beginning of the programme the students are given opportunity to familiarize themselves with subject by giving a brief idea about various topics of the syllabus. If the student does not have basic concept about the topic then the teacher first teach them the basics and then start teaching the topic assigned. Slow learners are allowed to resolve their difficulties with faculty members after the class. Faculty members also provide notes to the needy students. Interactive teaching methods (use of internet, projectors, power point presentations etc.) by the faculties help the students in better understanding of the topic. Students are encouraged to participate in competitions like guiz, debates, elocution etc. at various levels. Teachers of each department are entrusted to collect and analyze the data on the academic performance of students Each faculty provides special care to students. Class room evaluation is periodically done by the faculty members. Faculty members organize departmental seminars and workshops with active involvement of students.

E-Learning

In Corona Pandemic, teachers and students enter a new world of virtual lectures and worksheets as the lock down brought about by the corona virus shut down schools and colleges. The elearning poses a challenge to both teachers and students over technology and keeping everyone busy with worksheets, video lectures and

Institute provides notes, important questions, study material etc. to the students through website and other sources.

Keeping pace with ever changing education format, St. Wilfred's P. G. College offers online classes facility to our students covering all subjects of their courses. Our most experienced and learned faculty members handle the reins of this newest and completely virtual form of teaching. We firmly believe that challenges like COVID - 19 cannot bridle young scholars' learning zeal. Hence with real time online classes as well as lectures available on the website, we keep on updating our students. Our online classes help students to study conveniently according to their own learning tempo.

Conferences and Semi

To equip the students of current generation with new-age research and development, technologies and make them expert according to the industry demand, St. Wilfred's P.G. College ensures regular International and National Conferences, Seminars and workshops on various subjects. Conferences and Seminars provides latest information about the things which are happening in students' field of interest. University Professors, Corporate Professional, Entrepreneurs, and Intellects from around the country interact with our students and encourage their innovative perspective towards the subject.

Guest Lectures

St. Wilfred's P.G. College emphasises on making students academically brilliant and trend setter team players. We prepare them for real life corporate world. Following this idea we invite many intellects like software professionals, HR Executives, bankers, musicians, motivation speakers etc. who provide valuable information to students and help them spruce up their act.

Business Plan Present

St. Wilfred's P. G. College firmly believes that students must be prepared to become future leaders. We concoct their entrepreneurship skills by encouraging them to draft new business plans. Business plan presentations make our students think over practical applicability of their subjects and to understand the details of Sstartups. Many young industrialists mark their presence in this activity to enlighten students with their realistic experiences and learning related with different dimensions of business.

We give high prominence to group discussion as our academic activity. In group discussion, the participants sit facing each other almost in a semi-circle and express their views on the given topic/issue/problem in-front of our experts and assess the team. Group discussion is a co-operative group process. It improves student's thinking, listening and speaking skills and team spirit. It encourages students to be abreast with the current events, International & National affairs, burning social & economic topics, scientific, environmental & other imported issues.

Sunday Classes

With the prime objective of course completion according to the schedule and to give good enough time for revision of the course, our team of dedicated faculties arrange special Sunday classes right from the beginning of the session. It helps students to keep a regular pace of study and to avoid the over pressure of studies during examination period.

Remedial Classes

Each student is different in terms of academic performance. Absence in class due to unavoidable reasons may also create a problem for students in catching up the ongoing lecture. Such problems are addressed at our college with scheduling of Remedial classes. Here, Faculties solve subject related queries of students at individual level.

Along with covering the syllabus on time, St. Wilfred's College emphasizes on regular assessment of students. Due to regular schedule of assessments, students pay more attention in the class and keep themselves engaged in study throughout the year. This results in better preparation of exams and reduces the burden.

Clubs & Committees

The college constitutes clubs & committees for recreational, literary, academic & overall development of the students.

- 1. NAAC Steering Committee
- 2. Examination Committee
- 3. Academic Counsel Committee
- 4. Sports Advisory Committee
- 5. Research Coordination Committee
- 6. Discipline Committee
- 7. Anti-Ragging Cell
- 8. Women's Welfare Cell
- 9. Alumni Association
- 10. Literary Club
- 11. Sports Club
- 12. Scientia Club

Competition C

Driven with the philosophy that every individual is born to succeed, St. Wilfred's competition classes has been a pioneer in providing quality education and guidance for students to crack all sort of competitive exams. Our specially designed content covering subjects like English Grammar, History, Geography, Math, Reasoning etc. prepare both English & Hindi medium students to get success in high end exams like IAS, RAS, SSC, Railways, Banking & many more. Expert's panels having experience of more than decades train & develop our students' mind to get success in competitive world.

Soft Skills Tra

Appropriate soft skills play an important role in a successful career as well as during social interactions in the society. Since most jobs require teamwork, it's important to possess soft skills to enhance employability and achieve dream job. St. Wilfred's arrange regular training sessions for soft skill enhancement in which students are taught about building self-confidence, self-awareness, creativity, Time management, digital proficiency etc

Infrastructure

Class Room

Spacious and properly ventilated and very well furnished classrooms of St. Wilfred's College are equipped with Air conditioners and projectors. Classrooms are designed to set interactive and conducive learning environment for students.

Library

The library possesses collection of learning resource materials in the field of science, engineering, management, social science, language and humanities. The college library is rich in terms of quality and number of books. According to the demand of the departments the library committee recommends purchase of books and journals on regular basis. Free internet access facility to students so that they can collect reference material available on internet as well as consult access journals.

Play Ground

Healthy mind resides in a healthy body, with this aim and to develop team spirit and sportsmanship. there are provisions for various Indoor and outdoor games. At St. Wilfred's College a huge playground is available for the students to play table tennis, billiards, chess, volley-ball, basketball and cricket etc.

Auditorium

A large spacious fully air conditioned auditorium caters to the need of the appropriate ambience to conduct various cultural events, competitions, auditions and other activities.

Seminar Hall

A well-furnished seminar hall with the latest technical amenities is open to the students for making effective presentations. It is meant for organizing seminar thus aiding in presentations. It is equipped with LCD, multimedia, OHP and modern technologies.

Swimming Pool

A well-designed pool having temperature control mechanism and filter plant is available for the students. The safety of swimmers is paid special concern by the monitoring of trained swimming coaches.

Hostel

St. Wilfred's College provides hostel facility as well. Hostel Rooms are comfortably furnished and made for good home away from home. Girls and boys have separate hostels and each hostel has a fixed capacity. There is a range of accommodation and option to choose for student's convenience. In this kind of accommodation, students have access to TV room, Aqua guard for hot and cold and normal drinking water and other leisure/sport activities within the hostel premises.

Also includes these facilities-

Wi-Fi connectivity provided in all hostels.

24x7 electricity and water supply in the hostel.

CCTV camera at entrance of all hostels and foyer inside the campus.

<u>Cafeteria</u>

St. Wilfred's P.G. college campus has well maintained and well equipped Cafeteria. Here we provide a rich and diverse menu with good quality nutritious food. Sanitation and hygiene are taken very seriously and all the required standards are maintained strictly.

Laboratories

A laboratory is a facility that provides our students to perform experiments in controlled conditions to understand technological research, experiments, and measurement. It helps students to remember the concepts better and to transfer the experience to other learning situations. St. Wilfred's P. G. College has well equipped labs with all the advanced instruments of all science subjects (Botany, Chemistry, Physics, Mathematics, Geography, Psychology, Geology, Environment Science and Zoology) to meet the expectations of the students and as per the curriculum of University of Rajasthan.

Gymnasium

Realizing the need to encourage both health and fitness among the students the college provides them a well-equipped gymnasium where students can work out under the expert guidance of qualified instructor.

Training and Placement cell plays the role of vital link between students and prospective employers. Equipping the students with pertinent and conceptualized professional skills and guiding them towards a bright future and career all around the world with the values of - 'Honesty', Discipline' and 'Moral Values' is the prime objective of our T&P cell. Our experts panel guide students to choose right career and give them knowledge, skill, and aptitude in-line with the manpower requirements of the Industry. The Placement Cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc. and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programmes for final year students.

Key responsibilities of Training and Placement cell -

- To assist students to figure out their academic and career interests, with the help of individual counseling and group sessions.
- Identifying the needs and expectations of the companies to assist them in recruiting most suitable candidates.
- Coordinating with companies and get insight about their requirements and recruitment procedures.
- Organizing pre-placement training/ workshops/seminars for students.
- Arranging campus drives & job fairs to assist students in obtaining placement in reputed companies.
- Maintaining and regularly updating the database of students, alumni and employment community.
- Inform students about the available job opportunities in government sectors and off campus drives.

Training and Development

Considering the wide arena of industry requirements in globalized world, Training and development Curriculum has been designed for students covering following areas -

- Personality Development
- Group Discussion
- Communication Skills & Vocabulary

- Interview Skills
- Resume Preparation & Email Writing
- Aptitude Training & Practice Tests

Campus Drives and Job Fair

St. Wilfred's College sets its sights high on providing efficient placements for the students. Our Job Fairs and Placement drives gain major significance as they serve as a great way for the students to be assured of their placement, even before the completion of their graduation. We have tie-ups with various corporate and government organizations to conduct campus placements within the institution and hire from our rich pool of skilled and talented students. We have top companies knocking on door for hiring candidates in different domains such as aviation, hospitality, banking and finance, communications, management, education, journalism, law, IT and many more.

"Not me, But you"

The College has two full- fledged National Service Scheme (NSS) units. It is a voluntary organization open to all students o the college. The NSS aims at creating awareness among students about the society and inculcates in them a humanitarian attitude towards human beings. The college has been felicitated with the FIRST PRIZE for the best efforts by NSS units in jaipur. Various programs such as environment awareness, literacy drives, tree plantation, blood donation camps, traffic awareness campaign and women empowerment were organized under the auspices of Red Ribbons Club and Ministry of Youth Affairs and Sports.

NCC

Himanshi Choudhary RJ/19/SWA/175317 Republic day camp 2021

(A) 1 Raj Armed SQN (B) 1 Raj Girls BN

The activities of NCC at St. Wilfred's P.G. College are guided by certain core values of comradeship, sportsmanship and strong character that we endeavor to instill among the cadets. We successfully produce go- getters who actively participate in national level camps. Our NCC unit gives environment condusive to motivate cadets to serve the nation. We provide training to students with a view to develop them as "LEADERS OF TOMORROW"

THE YOUTH OF A NATION ARE THE TRUSTEES OF POSTERITY.

Personality Development Classes

Personality development classes at St. Wilfred's P.G. College are useful in building a strong personality that focuses on solutions rather than the problem. These classes take the path of positive attitude, potential to achieve your goals, learning willingness and punctuality. It helps the students to develop healthy lifestyle and stay peaceful. These classes also help to improve leadership qualities thus carving out a strong dynamic & result oriented personality of the students.

Scholarship Schemes

Internal Scholarship provided by Management

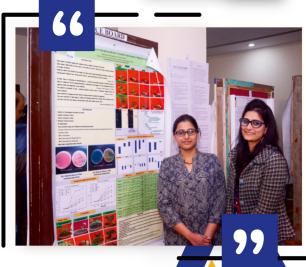

St. Wilfred's P.G. College always encourages students to excel in Academics, Sports and Athletics and inline with the same. We offer special Scholarship schemes to the students who have shown their proficiency in these fields. Our college also appreciates learning zeal of talented students and provide financial aid for those who need it most and support students to overcome the economic barrier in way of success.

<u>2. Scholarship Programmes by Government of</u> India

- (a) Social Welfare Department: Provides scholarship to SC and ST students. The students are required to fill the requisites form for the same. The eligible SC/ST and OBC students, BPL students with 60% and above score and students with disability should submit their scholarship form for current academic year for possessing the scholarship.
- **(b)** Minority Scholarship will be provided by the Government of Rajasthan to all minority students.
- **(c)** In the year 2014-15, Govt. Of Rajasthan has introduced General Scholarship under which 50% fees of all the general category students will be refunded.
- (d) The students securing more than 60% in Senior Secondary examination can avail Post Metric Scholarship by Chief Minister, Govt. of Rajasthan.
- **(e)** Inspire Scholarship by the Central Government of India to the meritorious students. (f) MHRD Scholarship-by board of Secondary Education to meritorious students.

CULTURAL EXTRAVAGANZA

Splendid Fresher's Party - "Start of something wonderful"

Inter College Youth Fest "PANACHE" "A place where art meets talent"

A Golden Year Of Sports

We have an outstanding department of sports which have left their mark in different sports. The college attempts to live by its motto "Fitness = A way of life" and promotes an interest in sports and physical fitness among students. Through the decades, the department has nurtured the students to show potential in various sports and has assisted and motivated them to realize their full strength. Our impressive list of winners stands testimony to our accomplishments. Every year, our students achieve distinctions and winning medals at International, National, State and University levels.

My overall experience to date with Wilfred PG college has been amazing and the college is having an amazing infrastructure. Professor of the are very encouraging and makes themselves available for their students at any hour. They also lakes time and energy to improve us and make sure that we have great learning experience. I have always found a positive and healthy environment and the teachers are highly supportive. Teachers are also accessible outside the class and you can approach them with any question you have.

CHAIRMAN'S MESSAGE

Shri Suresh Kumar Gupta

St. Wilfred Education Society

St. Wilfred's College is a conscious and thoughtful response to critical need for excellent and relevant education in a traditional, innovative and creative frame work. Our colleges provide quality education along with holistic development of the students. We enable students to grow up to be analytical, investigating, introspective and task oriented. We believe in giving an experiential learning to students which enable them to enhance their academic achievements. Along with academics Wilfredians every year repeat their winning streak and achieved pinnacle in the field of co-curricular and sports activities. Our students' success cannot be defined by qualification alone. Students leave the college as dynamic and impactful global citizens, equipped to play a leading role in which every walk of life they choose. To achieve this, students are encouraged to participate in the extensive array of opportunities beyond the classroom. Continuing with the legacy of St. Wilfred's College, I extended my warm wishes to all the new comers and seniors. My heartiest felicitation to the dedicated and devoted faculties who are doing noble task of teaching & contributing for the homogenous society. I pray to almighty for their success & bright future.

HON. SECRETARY MESSAGE

Dr. Keshav Badaya

St. Wilfred Education Society
